Blue Ridge Hospitality

While efforts have been made to ensure the accuracy of this map, it cannot be guaranteed. It shows publicly maintained roads in Alleghany County and Sparta, North Carolina. It does not show the many privately maintained roads in the county and town. The Alleghany Chamber of Commerce and various businesses in and around Sparta sell a much larger map that attempts to show all the public and private roads.

Please note that in some cases, short, publicly maintained roads on this may be extended by an additional privately maintained section making them longer.
